

United States Government

Department of Energy

memorandum

DATE: **November 19, 2004**

REPLY TO: EH-52:Judith D. Foulke:3-5865
ATTN OF:

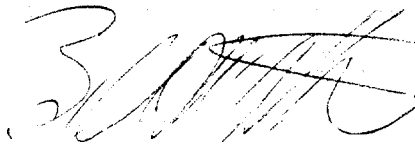

SUBJECT: REAFFIRMATION OF DEPARTMENT OF ENERGY (DOE) HANDBOOK, DOE-HDBK-1122-99, "RADIOLOGICAL CONTROL TECHNICIAN TRAINING"

TO: Dennis Kubicki, Technical Standards Manager, EH-24

In September 2004, a notice of intent to reaffirm DOE-HDBK-1122-99 was sent to the DOE Technical Standards Managers. The notice requested comments regarding the planned reaffirmation of the handbook. No comments were received. With this memorandum, DOE-HDBK-1122-99 is considered to be ready for reaffirmation. The Office of Worker Protection Policy and Programs recommends reaffirming the handbook in accordance with the Department's responsibility under the 5-year "Periodic Document Review" (Sunset Review) provision of the Technical Standards Program Procedures.

An electronic copy of the standard in Word 2002 format is attached.

If you have any questions regarding this matter, please contact Judy Foulke on 3-5865 or at **Judy.Foulke@eh.doe.gov**.
